March 7, 1991

The Honorable Frank Mastrati, Jr.
132 Chandler Avenue
Cranston, Rhode Island 02910

Dear Frank:

Today I had a telephone conversation with Mr. Frank Bataglia of EPA. He indicated to me that he is prepared to address the Ciba-Geigy Task Force relative to the types of investigations that are presently underway concerning the evaluation of the Ciba-Geigy site.

Although final reports are not yet available, Mr. Bataglia will be able to entertain questions on the current status of EPA's efforts.

Therefore, I have scheduled a meeting for Wednesday, April 3, 1991, at 7:00 p.m. in the Mayor's Conference Room.

I look forward to your attendance on that evening and should you have any questions feel free to contact me.

Sincerely yours,

Eric A. Palazzo ccg
